Call for 2020 Annual Dinner & Auction Volunteers

Description: The Wing Luke Museum is seeking outgoing and energetic volunteers to fill multiple positions at The Wing’s annual dinner and auction. The auction is a vital fundraising event for the museum, and volunteers help us reach our fundraising goal by making it a festive night for our supporters and guests. This year the auction takes place at the Hyatt Regency Seattle.

About the museum: The Wing Luke Museum is the nation’s only pan-Asian Pacific American museum and is located in Seattle’s Chinatown-International District. The Wing’s mission is “to connect everyone to the rich history, dynamic cultures and art of the Asian Pacific Americans through vivid storytelling and inspiring experiences to advance racial and social equity.”

Location: Multiple locations. See details below.

Important note about shift times: Shift times are tentative and may have minor changes closer to the date. I will be in touch about any changes as the schedule gets finalized.
